

Die cast aluminum housing in Chrome, Black or White

New GHOST™ SSM (single surface mount) light can be ordered with a Chrome, Black or White housing.

Santoprene rubber gasket & mounting hardware included

White Housing light shown illuminated in Amber LEDs. Light is dimmed to 8% power for this photo.

Our popular GHOST™ has been wrapped in a sleek, die cast aluminum housing for a versatile surface mount option

White powder coated housing complements under-cover white vehicles and motorcycles.

GOOD BETTER BEST
PRODUCT RATING

- New! Our popular Single GHOST™ light now has a surface mount option with housing colors available in Chrome, White or Black for even more versatility and greater mounting options.
- Same great light as the original GHOST light with 6 bright & powerful Gen3 LEDs.
- Light includes Santoprene Rubber Gasket for a flush mount against the vehicle & mounting hardware for installation.
- Housing is made from a die cast aluminum. Black & White housings are powder coated while Chrome housing is a high luster, nickel plated finish.
- Proudly Made in the USA by employee owners.
- Available in Amber, Blue, Green, Red & White LEDs in solid or split colors.
